

Merch Vendor Application

\$100

Thank you for expressing an interest in a vendor booth space for Beer Cann 2022. An application must be completed to apply to become a vendor. Please fill out completely.

We do try to allow our past vendors an option for a space but if you have been here in the past, please do not assume you will automatically be accepted and be located in the same place as years before. All spaces are first come first serve with the exception of premium & sponsor spaces. Vendors are required to be open all three days, optional Pre-party attendance on Thursday. When you are ready to book a space, you will be required to make payment in full. Payment can be mailed or made online. Beer Cann is a rain or shine event.
